SSSP, BSI, Student Equity
Integrated Planning Worksheet

Identify two "convergent goals," or goals that are aligned with more than one initiative. Write each of those two "convergent goals" in the "Goal 1" and "Goal 2" cells. Then, for each goal, fill in the rest of the row, providing examples of activities, outputs, and outcomes that might fit into the other plans. The first one is an example.

Goal common to two or more initiatives (convergent goals)	SSSP Implementation Activities	BSI- Basic Skills Implementation Activities	Equity- Student Equity Implementation Activities	Your initiative/project (BSSOT, Strategic Plan, etc.)	Professional Learning
Example: Increase completion and persistence through the math developmental sequence	**Example:** Implement multiple measures for placement; Dual enrollment	**Example:** Redesign the dev ed sequence; shorten the pipeline from three semesters to two; Offer embedded tutoring for the shortened sequence	**Example:** Offer the redesigned sequence as part of the Umoja and Puente programs	**Example:** (BSSOT) – Offer embedded tutoring for every section offered of the shortened sequence	**Example:** Faculty training on acceleration; Culturally Responsive Teaching and Learning; Tutor Expo; convene English and math faculty regularly to discuss outcomes
Goal 1:					
Goal 2:
