

You are invited to Apply for 3CSN's 9th Annual Summer Leadership Institute!

BSILI-Leadership for Curricular and Institutional Transformation

June 11-16, 2017

Send a College Team of 2-3 to the beautiful UCLA Conference Center in Lake Arrowhead—with all lodging, meals, travel, and tuition covered by 3CSN

Building Essential Leadership Capacities for your team to assist your college in increasing student access, success, equity and completion. These essential leadership capacities are rooted in:

- Equity-mindedness
- Integrated Planning
- Powerful Professional Learning
- Transformation
- Building Communities and Networks within your college and across colleges

Bring your college-focused initiative, plan, program, or idea to the mountain and we will all work it together.

Leadership training and ongoing support covering three crucial areas:

- Information –data and presentation
 - Capacity Building
 - Evaluation
 - Making your case with evidence
 - Logic Modeling
- Networking-within and between colleges
 - Training and assistance
 - Sustainability and support
 - Knowledge Exchange
- Resources-people and money
 - Research-based communities of practice
 - Grant writing assistance
 - Connecting to national networks
 - Succession planning

- Leveraging
- Repository of effective interventions

Beginning with their participation in BSILI, colleges will receive a year-long, wrap-around support package consisting of inclusion in one or more of 3CSN's Communities of Practice, as well as on-site training, ongoing coaching and technical assistance, faculty innovation scholarships, and other resources that will help your college increase student completion and success.

If you are interested, please send a brief email requesting an application to Deborah@3csn.org. Application requests must be received no later than March 10, 2017.
