

**Campus Teams Are Invited to Apply for  
3CSN's  
Leadership Community of Practice for  
Infusing Growth Mindset & Habits of Mind into Guided Pathways**

3CSN is launching a Leadership Community of Practice (LCoP) in 2018-19 for Infusing Growth Mindset and Habits of Mind into Guided Pathways. This LCoP brings together college teams to network, explore, conceptualize and develop campus infusion plans.

Participating teams will engage in an Infusion Institute, organized as a series of three, drive-in development sessions over the course of the semester. Between Institute sessions, each team will be connected with an experienced and seasoned member of the LCoP to receive coaching and mentoring.

The Institute will be offered Fall 2018 in Southern California and then repeated again in Northern California during Spring 2019.

Fall 2018 participants must consistently attend all three dates:

September 14

October 19

November 30

(Session locations will be determined after considering all applications. We will do our best to choose sites that minimize travel demands for participants.)
