

*Finding our Way to Equity:  
Collaboration & Community by Design*

# LINKS 2020

Crowne Plaza  
Ventura Beach  
April 24-25, 2020

<https://links2020.eventbrite.com>

**A two-day leadership and learning convening**

How do we find our way to equity? How do we build on the collective capacity of our college community to design equitable ecosystems and equitable learning environments? How do we design for collaboration and community for transformation?

Come and see how 12 college teams grappled with these questions throughout the year. Learn how they've designed for community and collaboration on their campuses to find their way to equity and equitable ecosystems.
